

Contractor's Health and Safety Information

Tauranga Bridge Marina complies with the Health and Safety at Work Act 2015, Regulations, Codes of Practice and Industry Guidelines to ensure the safety and wellbeing of all employees, visitors, guests, contractors and for the protection of the environment.

In support of this commitment, contractors conducting business at the marina have responsibilities and obligations to comply with marina policies and procedures. With the recent changes to workplace Health and Safety legislation the marina is required to ensure all contractors are aware of their obligations pertaining to workplace health and safety and conduct their work in a safe manner which does not cause nuisance or potentially affect the health and safety of themselves or others in the vicinity of their work.

The Vessel Owner is responsible for any persons engaged to work on their vessel. These workers (contractors) must complete the Contractor Registration Form on the back page and adhere to all policies as detailed in this Pack.

How to Register:

1. Read and understand the site-specific Contractors Information booklet
2. Complete the Application Form (at the back of the Contractors Information booklet) and return together with the following Certificates of Currency (minimum \$5M) to the marina office:
 - Public Liability Insurance
 - Ship Repairers Liability Insurance

Registration form and insurance/s to be emailed to anna@marina.co.nz

Only legitimate businesses who have returned the registration form with adequate insurance cover will be permitted to provide contractor services at this marina.

Management reserves the right to refuse entry to any contractor who does not fully comply with the requirements set out in this document.
